

Exhibitor Registration Information

Thank you for your participation in Sensors Converge 2021 at the McEnery Convention Center San Jose, CA. In our commitment to bringing you the latest and most convenient methods available for registering your booth personnel, we would like to invite you to register utilizing our On-Line Exhibitor Registration System.

As an exhibitor, you receive three (3) badges per 100 square feet of booth space, while you will be allowed to have only two (2) staffers inside the booth at any time. To register your booth personnel, please use our On-Line Exhibitor Registration System by visiting <http://www.sensorexpo.com/> and clicking the "exhibitor staff registration" link from the "Exhibitor Resources" section.

Your company's login and password were sent via email to the primary contact that signed the booth contract. If you have any questions, please contact Keith Owen at kowen@questex.com or 617-219-8367.

We encourage all exhibitors to print their badges in advance of arriving on site to minimize the contact with others. You will be given a badge holder and lanyard on site at the exhibitor registration desks which will be located outside of Hall 1 on the 2nd floor of the building.

Exhibitor registration will be open during the following times:

Tuesday, September 21, 2021	8:00 a.m. to 5:00 pm
Wednesday, September 22, 2021	8:00 a.m. to 6:00 pm
Thursday, September 23, 2021	7:30 a.m. to 3:00 pm

Please note exhibitor registration is available online only.

Only registered exhibitors can obtain badges to the show.
